(See: Section XII) If you believe your Password has been lost or stolen, please use the Password change feature within the Online Banking section of the Web site to change your Password.

#### **VII. Electronic Mail (E-mail)**

If you send the Bank an e-mail message, the Bank will be deemed to have received it on the following business day. You should not rely on e-mail if you need to report an unauthorized transaction from one of your accounts or if you need to stop a payment that is scheduled to occur.

- NOTE : E-mail transmissions outside of the Online Banking site are not secure. We advise you not to send us or ask for sensitive information such as account numbers, Password, account information, etc. via any general or public e-mail system.

#### **VIII. Bill Payment Services**

A. Description of Service. The Bill Payment Service permits you to use your Internet-enabled device to direct payments from your designated online Bill Payment Account to third parties you wish to pay. Your Bill Payment Account must be a primary checking account. Through the Bill Payment Service, you can pay bills from your Bill Payment Account to businesses or individuals.

All payments you make will be deducted from the checking account that you designate as your Bill Payment Account for the Bill Payment Service. Any payments you wish to make through this Service must be payable in U.S. dollars to a payee located in the continental United States. We reserve the right to restrict types of payees to whom payments may be made using the Service from time to time. You should not use the Bill Payment Service to make payments to settle securities purchases, payments to interest bearing accounts, tax payments, or court ordered payments. Payments for these payees will be your sole responsibility if delayed or improperly processed or credited.

B. Scheduling Payments. Funds must be available in your Bill Payment Account on the scheduled payment date. If the date you schedule a payment to be initiated falls on a non-business day (Saturday, Sunday, or holiday), funds must be available in your Bill Payment Account the following business day (e.g. Monday). After funds are withdrawn from your Bill Payment Account to make a payment, we may make the payment either by transferring funds electronically to the payee or by mailing the payee a check.

You may choose to schedule payments to re-occur in the same amount at regular weekly, monthly, or semi-monthly intervals. When you create a new payee in the Bill Payment Service, it takes two (2) business days to set up the payee to receive payments. You should schedule a payment to a new payee at least ten (10) business days before any payment due date, to allow us time to set up the payee and verify information about your account with the payee.

For all subsequent payments, you agree to allow at least four (4) to ten (10) business days between the date you schedule a payment to be initiated and the payment due date (that is, the due date shown on your invoice or provided in your agreement with the payee, not taking into account any applicable grace period). If the payment is an Automatic Clearing House (ACH) electronic payment, it will take up to four (4) business days to reach the payee. However, if the company or person that you are paying cannot accept an electronic payment, the Bill Payment Service will send a check that may take up to ten (10) business days. If you do not follow these time frames, you will be fully responsible for all late fees, finance charges or other actions taken by the payee. If you schedule your payment and follow all instructions provided, but the payee does not receive the payment in a timely manner, the Bank will work with the payee on your behalf to reverse any late fees or charges.

C. No Duty to Monitor Payments. The Bank is only responsible for exercising ordinary care in processing and sending payments upon your authorization in accordance with this Agreement. The Bank will not be liable in any way for damages you incur for any of the following reasons:

- insufficient funds in your Bill Payment Account to make the payment on the processing date;
- delays in mail delivery;
- changes to the payee's address or account number.
- the failure of any payee to correctly account for or credit the payment in a timely manner, or
- any other circumstances beyond the control of the Bank.

If the session during which you schedule a payment or transfer ends by 5:00 p.m., the Bank will be considered to have received it on that day. Otherwise, it will be considered received on the following business day. For all entries made using the Services, the time recorded by the Online Banking Service will be considered the official time of the transaction.

If your Bill Payment Account does not have sufficient funds to make a payment as of the date the payment is debited to your account, the Bill Payment Service will automatically block future Bill Payment Service until the account has sufficient funds to make the payment. The Bank will attempt to notify you by e-mail or U.S. Postal Mail, but the Bank shall have no obligation or liability if it does not complete a payment because there are insufficient funds in your account to process a payment. In all cases, you are responsible for either contacting the Service at 1-888-662-5645 to either make alternate arrangements for the payment or reschedule the payment through the Service. In the case of fixed payments, only the payment currently scheduled will be impacted. Fixed payments scheduled for future dates will not be affected.

D. Cancel or Change Payment Instructions. Payments must be changed or canceled using the Payment Outbox within your Bill Pay Services. Stop Payments may be placed on a check withdrawal if it is 24 hours before the current days 3:00pm transaction deadline, and if the check has not already been processed or paid.

E. No Signature Required. When any payment or other online Service generates items to be charged to your account, you agree that we may debit your Bill Payment account without requiring your signature on the item and without prior notice to you.

F. Multiple Person Bill Payment Accounts. If more than one person has access to a Bill Payment account, each person may individually enroll in the Bill Pay service. Each enrolled person needs a unique password and may create their own payee list. Each individual may terminate her/his enrollment in the Bill Payment service without affecting the Service for any other person enrolled in that Bill Payment account.

#### **IX. Linked Accounts**

All accounts with the Bank that you enroll in a service will be linked by the tax identification numbers of the owners of the accounts.

#### **X. Business Accounts**

If you are a business, any authorized user of your business is only authorized when you give them authorization on such terms, conditions, and agreements as we may require to:

- enter into this Agreement, as amended from time to time;
- access each account of yours in any manner and for any purpose available through the Service, whether now available or available at some time in the future; and
- use any Online banking service in any manner and for any purpose available through the Service, whether now available or available at some time in the future.

#### **XI. Term and Termination**

A. Term. This Agreement became effective on January 28, 2013, and shall remain in full force and effect until termination in accordance with the following provisions.

B. Termination for Cause. We may immediately terminate your electronic banking privileges (including the Bill Payment Service) without notice to you under the following circumstances:

1. you do not pay any fee required by this Agreement when due or
2. you do not comply with the agreement governing your deposit or loan accounts or your accounts are not maintained in good standing.

We will promptly notify you if we terminate this Agreement or your use of the Services for any other reason.

C. Termination for Convenience. To terminate this Agreement, you must notify the Bank and provide your name, address, the Service(s) you are discontinuing, and the termination date of the Service(s). When Bill Payment is terminated, any prescheduled bill payments made through Online Banking is your responsibility to terminate. Your final charge for the Bill Payment service will be assessed at the end of your statement cycle. You may notify the Bank by one of the following methods:

- By sending an e-mail to customerservice@wyocb.com.
- By calling (307) 857-9000.

· By writing a letter and either sending it to the following address: Attention: Internet Banking Administrator, 1700 North Federal, Riverton, WY 82501, or giving it to a Customer Service Representative at any of the Bank's locations.

If you are not paying a monthly service charge for the Service, we may convert your account to inactive status if you do not sign on to the Service or have any transaction scheduled through the Service during any consecutive 90-day period. If your account is considered inactive, you must contact us to have the Service activated before you will be able to schedule any transaction through the Service.

## **XII. Electronic Fund Transfer Provisions For Consumers**

A. Applicability. These provisions are only applicable to online electronic fund transfers that credit or debit a consumer's checking, savings or other asset account and are subject to the Federal Reserve Board's Regulation E (an "EFT"). When applicable, the Bank may rely on any exceptions to these provisions that are contained in Regulation E. All terms that are not defined in this Agreement but which are defined in Regulation E shall have the same meaning when used in this section.

B. Your Liability. The following determines your liability for any unauthorized EFT or any series of related unauthorized EFTs:

1. If you notify the Bank within two (2) business days after your password was lost or stolen, your liability will not exceed \$50.00 or the amount of the unauthorized EFTs that occur before notification, whichever is less
2. If you fail to notify the Bank within two (2) business days after your password was lost or stolen, your liability will not exceed the lesser of \$500.00 or the total of:
  - \$50.00 or the amount of unauthorized EFTs that occur within the two (2) business days; and
  - the total of authorized EFTs which occur during the two (2) days before notification to the Bank, provided the Bank establishes that these EFTs would not have occurred had the Bank been notified within that two-day period.
3. You must report an unauthorized EFT that appears on your periodic statement, no later than 60 days of transmittal of the statement to avoid liability for subsequent transfers. Your liability will not exceed the amount of the unauthorized EFTs that occurred with the 60-day period. You may also be liable for the amounts as described in sections 1 and 2 above.
4. If the report is made orally, we will require that you send the complaint or question in writing within 20 business days. We will notify you with the results of the investigation within 10 business days and will correct any error promptly. If more time is needed, however, we may take up to 45 days to investigate a complaint or question. If this occurs, we will credit your account within 10 business days for the amount you think is in error. This will allow you to use the money during the time it takes us to complete our investigation. If your complaint or question is not received in writing within 10 business days, we may not credit your account until the investigation is completed. If an alleged error involves an electronic fund transfer outside a state or territory or possession of the United States, the applicable time periods for action by us are 20 business days (instead of 10) and 90 calendar days (instead of 45). If we determine that no error occurred, we will send you a written explanation within three business days after the investigation is complete. You may request copies of the documents that were used in the investigation.
5. 5. You may notify the Bank by telephone, or by writing.

C. Telephone Numbers and Addresses. In case of errors or questions regarding an Online Banking or Bill Payment transaction, call (307) 857-9000 or write us at: Wyoming Community Bank, Attn: Electronic Banking Services Department, 1700 North Federal, Riverton, WY 82501.

We must hear from you at the telephone number or address, listed above, no later than 60 days after we sent you the FIRST statement on which the problem or error appeared. We will need:

1. Your name and account number
