

WYOMING COMMUNITY BANK

YOUR LOCALLY OWNED COMMUNITY BANK | FALL 2020

2020 Wyoming Community Bank Golf for Hospice Tournament

This last year has been a year that was like no other. Whether it was personally, professionally or socially, we were all faced with many challenges. Our local groups and organizations were unable to hold their normal fundraising events and programs.

Wyoming Community Bank has formed Community Partnerships with several organizations in Fremont County. The first partnership established was with Help for Health Hospice. Everyone knows what this organization does to help our family and friends during difficult times.

Our commitment to our community does not end at our Banks' front door, but more – it begins there. We take pride that we have been able to participate in so many wonderful events through the years. Whether it was our WCB family

of volunteers taking part and helping out wherever we could or the support that a donation can provide. The 2020 Wyoming Community Bank Golf for Hospice Tournament fundraiser raised \$11,900 for Help for Health Hospice.

We want to thank all our sponsors, volunteers and participants for making the 2020 Wyoming Community Bank Golf for Hospice Tournament another successful fundraiser. Additional sponsors to this two day event were Hi Mountain Jerky, Fagnant, Lewis & Brinda, Tom Youtz and Brad & Sheila McPherson. The Breadboard donated a 6' sandwich to the person who had the High Gross Men's score for the Tournament.
