

# WYOMING COMMUNITY BANK

**YOUR LOCALLY OWNED COMMUNITY BANK | SPRING 2020**

## Make-A-Wish Wyoming

Wyoming Community Bank is proud to partner with Make-A-Wish Wyoming again this year for our 3rd Annual Make A Wish Fundraiser. Please join us on July 11, 2020 at Day at the Park to benefit kids all across Wyoming with critical illnesses.

Granting a wish for a child gives them hope that all things are possible and strengthens their will to fight their illness. All funds raised stay in Wyoming and are pooled together for wish kids in the area. With your help, over the last two years WCB has been able to raise over \$3,000.00 for wish kids like Kobee.

Kobee is a 16 year old from Riverton who has Huntington's disease. His wish was to visit Disney World and Universal Studios. When asked about the most special part of the wish, his mom, Melody, talked about watching Kobee smile while meeting the Star Wars characters. The wish experience "brought him a lot of joy and the VIP treatment we got everywhere made him feel special" his mom explained. "I'm so thankful that Kobee got to do this."

Your support at the fundraiser in July can help make more Fremont County wishes come

true. Right now there are 29 Wyoming kids still dreaming of their wish granting stories and 2 of those are from right here in Fremont County. Whether you can give \$10 to provide a new collar and leash for a wish to have a dog or \$100 for passport fees for an international wish, everything helps. On average it takes 77 donors to fully grant a wish for an average cash cost of \$8,000.00. Meet us at Day in the Park in July to make a Wyoming Wish Kid's dreams come true!

**For more information on Make A Wish Wyoming visit [Wyoming.wish.org](http://Wyoming.wish.org) or call 307-234-9474.**

## Have you ever needed a new debit card 'RIGHT NOW!'?

Whether your card was lost or your card information was compromised, Wyoming Community Bank has you covered with Instant Issue Debit Cards. All you need to do is step inside one of WCB's locations to receive and activate a brand new card within minutes!

"Now there's no more waiting for the mail," said Jenny Mason, Account Administrator. "We can help our customers right

### AUTUMN ROBERTS

Autumn grew up in Sheridan, WY and moved to Fremont County after she married her husband, Bryce. She attended Central Wyoming College and Northwest Nazarene University.

Autumn began her banking career in 2008, working in various banks. In 2017, she joined Wyoming Community Bank as a Commercial Loan Processor, and recently was promoted to the **Mortgage Loan Officer** position at WCB's Lander Branch location.

In her free time, Autumn enjoys spending time with her husband and their four children in the great outdoors and traveling. Autumn is active in her local church where she serves as the Worship and Women's Pastor. She also sits on the board for Cornerstone Christian School and volunteers in the community.

"I am passionate about my community, and excited to help people realize the dream of owning a home," said Autumn.

To learn more about Wyoming Community Bank and the mortgage services they offer, you can go to their website at [wyocb.com](http://wyocb.com) or visit Autumn in person at 685 Main Street in Lander.

away, it only takes about 5 minutes to set up and activate a new card. We even have unique card designs for our customers to choose from, so it's not only a quick and easy process, it's personalized as well."

In addition to activating a new debit card, WCB can also update or change a PIN for any of their customer's debit cards. This availability also means that if you are

a new customer to the bank, you can immediately receive a debit card when you open an account.

Wyoming Community Bank is proud to offer their customers this advantage. To learn more about Fremont County's locally owned bank, they invite you to visit them online at [wyocb.com](http://wyocb.com) or in person at 1700 N. Federal in Riverton or 685 Main Street in Lander.

## Welcome

### CORTE MCGUFFEY

Wyoming Community Bank is proud to welcome Corte McGuffey to its Board of Directors. McGuffey stated "I'm excited to join the locally owned community bank that is entirely focused on Fremont County and the success of its businesses and individuals, making this a great place to live".

McGuffey is a native of Riverton, graduating from RHS in 1995. He studied chemistry, and enjoyed a great college football career at the University of Northern Colorado, earning the 1999 Harlon Hill Trophy.

After a brief professional football career, Corte went to the University of Nebraska Dental School in 2002. In 2006, he opened his own start-up dental practice in Colorado.

When the opportunity to become CEO of Bonneville Transloaders Inc. and Big Horn Divide and Wyoming Railroad presented itself in 2018, McGuffey took the job and moved back to Riverton along with his family. "It was a difficult decision to sell my dental practice, but the opportunity to learn a new business and come home to raise our children in Wyoming was simply too good to pass up," said McGuffey.

Corte has been married to his wife, Laura, for 17 years, and together they are raising two children. In his spare time, he enjoys golfing, skiing, and working on any project that helps make Riverton a better place to live and work.

Wyoming Community Bank is your locally owned bank. Where neighbors bank. For more information about WCB, you can visit their website at [wyocb.com](http://wyocb.com).
